The EDCTP-TDRfellows community area is designed to securely share information between past and present fellows to help each other in your placements and in future careers. If you would like to contribute an article about your current placement, a presentation you have given, a publication you are involved in or any other information you would like to share with the group then please contact liam@theglobalhealthnetwork.org and this will be added to the site and included in the next newsletter. Please remember that all 6 & 12 month progress reports must be shared on the community area.
